

# Getting to GCP Secretariat

GLOBAL COFFEE PLATFORM Charles de Gaulle Straße 5 53113 Bonn Germany

## Directions from Bonn Central Station (Bonn Hbf)

- You find the tram station ("U" Bahn) by taking the escalator down to the lower level of Bonn Central Station.
- Take line 66 in the direction of "Bad Honnef" or "Königswinter". Or any line going to "Bad Godesberg" (16 and 63).
- Get off at the station "Ollenhauer Straße".
- From there it is a 12-15 min walk to our office (on the map the building is marked as IFOAM – we share the same building)

## Access to our building

- Please note that there is no doorbell for the entire building nor a reception desk.
- If the main entrance door is locked, please ring our office on +49 228 850 500 (central line) or the GCP staff member who you are meeting with so that they can let you in.

**We are looking forward  
to meeting you!**
