

## Leadership Through Purchasing!

### - 2022 Invitation & Guidelines -

#### Collective Roaster and Retailer Reporting on Sustainable Coffee Purchases

#### Which coffee industry partners are invited to report?

##### Coffee Roasters and Retailers

#### Which coffees may be reported?

**Sustainable Coffee Purchases** (volumes delivered in 2022) purchased under the following sustainability recognized by GCP:

##### **3rd party assurance:**

- 4C
- Certifica Minas
- Fairtrade
- Rainforest/UTZ
- Starbucks' C.A.F.E. Practices

##### **2nd party assurance:**

- ECOM' SMS Verified
- Enveritas ' Enveritas Gold and Enveritas Green
- Exportadora de Café Guaxupé's Guaxupé Planet
- LDC's Responsible Sourcing Program Advanced
- Mercon's LIFT
- Nespresso AAA
- Neumann's NKG BLOOM and NKG Verified
- ofi's AtSource Entry Verified and AtSource Plus
- Volcafe's Volcafe Verified and Volcafe Excellence

#### Reporting Precondition

A **Non-Disclosure Agreement** must be executed between GCP and the Partner prior to data reporting.

## How to Report?

**Appoint your company representative** to receive log-in credentials for reporting using the online portal.

## 2023 Target Dates

<b>17-28 April</b>	Partner enters qualified 2022 sustainable coffee purchases
<b>by 15 March</b>	Partner submits descriptive paragraph on sustainability commitment
<b>by 12 May</b>	GCP shares confidential draft charts with individual reporting partners
<b>end August</b>	GCP releases <i><b>Snapshot Report on 2022 Sustainable Coffee Purchases</b></i>
